## **BEGIN AGAIN**

**Ready to add a little styling and variations? For those teaching experienced beginners, here are a few ideas:**

- **Give the step touches a funky look:**

**Step to the diagonals, leading with the hip and shoulder, using a larger than normal step**

**Take the arms away from body to low V on the 'step.' Bring the arms in on the 'touch.'**

**These steps are now on right and left diagonals rather than straight forward (cool)**

- **Finish the stylized step touches on the left diagonal and do the rocking chair facing 10:00**

- **Replace the weave with a 3 step turn.**
