LINEDANCE.COM

Count: — **Wall:** 4 **Level:** beginner/intermediate

Choreographer: William Sevone

Music: Gigolo by Colleen Hewett

Sequence: AA, BB, AA, BB, A, B, B (to count 20)

If you cannot find this music anywhere (try the bargain bin, 'kitsch' section of the record store or the attic) you can still do the dance to most 64 count music as the dance is only phrased for the chorus. Just forget the Part A and Part B stuff and dance it straight through. If you find that is how you prefer to do the dance, go for it. I don't have a problem with that. Just remember to tell the other dancers though. Could end up a bit messy
